Dear valued customers. Every effort is made to ensure that all allergens are kept strictly away from other foods. All allergens are labelled on the menu. We have strict procedures in place for taking and preparing allergen orders, but you should be aware that allergenic ingredients are present in our premises and of those of our suppliers.

Despite the significant efforts we go to, we cannot eliminate the risk of cross-contamination and therefore cannot guarantee any of our dishes are 100% free of allergens.
